Sir,

Subject - Shiralakoppa Municipality-waiving of Audit objection relating to the year 1939-40 in the matter of engaging a conservancy cart on a monthly hire at Rs 18/- P M during 39-40 for removing street rubbish of the Town

I have the honour to state that the local auditors of the Comptroller's Office during the course of auditing the accounts of the Shiralakoppa Municipality for the year 1939-40 raised an objection to the entertainment of a conservancy cart on a monthly hire at Rs 18/- P M (for removing street rubbish of the Town) on the ground that it required the previous sanction of Government as per note 2 to rule 27 (b) of the M A M

2 The Municipal President further states that the conservancy cart in question was continued during further years from 1940-41 to 44-45 at the rates noted in the margin* He alls that the required sanction of Government to the continuance of the aforesaid conservancy cart was not obtained, from time to time in view of the fact that the official entrusted with the office work was not quite conversant with the rules He requests that sanction of Government might be obtained to ratify his action in having entertained the conservancy cart with effect from the year 1939-40 and continued that system till the end of 44-45

Year	Monthly hire at which the cart was employed

1942-43	" 17/- P M
1943-44	" 16/- P M
1944-45	" 29/- P M

3 I write to state in this connection that the entertainment and continuance of the conservancy cart on the monthly hire as noted in para 2 (supra) with effect from the year 1939-40 to the end of 1944-45 was quite necessary in the best interest of

public

public health of the Town It was however irregular on the part of the Municipal Presidents (who were then in charge) to have incurred the expenditure against the colal rules I have pointed out this irregularity to the Municipal President concerned with instructions that personal responsibility of the officer and the persons concerned (for such unauthorised expenditure) will be insisted, if expenditure of the kind is incurred in future

4 In the circumstances, I request that sanction of Government may kindly be obtained to ratify the action of Municipal President, Shiralakoppa in having entertained and continued the conservancy cart on monthly hire (as noted in para 2) during the years from 1939-40 to 1944-45
